

CELEBRATING OVER 10 YEARS IN BUSINESS!

Providing a colorful and durable angle base solution for gymnasiums

Gym Cove® lasts a lifetime and provides more advantages than other angle base systems. Gym Cove® base offers more design flexibility and the option to customize.

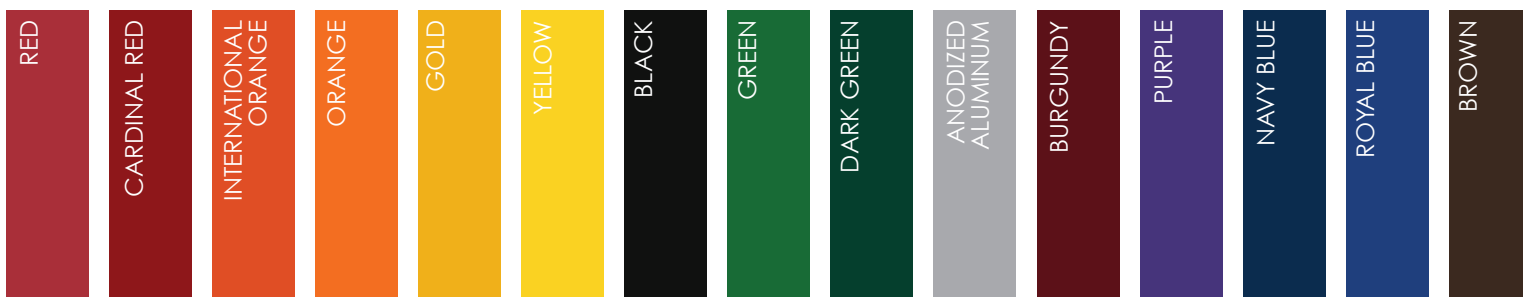

- 4" x 3" x 8ft. extruded aluminum
- 15 standard colors
- Custom colors available upon request
- Continuous ventilation option
- Longer lengths = fewer seams
- Mechanically fastened to the wall
- No adhesive = no problems
- Cast aluminum outside and inside corners
- Custom base extrusions...you design it, we'll create it!
