

HALF-TIME

Fast Drying Wood Sport Floor Cleaner

HALF-TIME Wood Sport Floor Cleaner is designed for daily cleaning maintenance and before competitive play. **HALF-TIME** helps remove body oils, perspiration, saliva and most foodstuff spills without leaving a residue. **HALF-TIME** Wood Sport Floor Cleaner has been designed to work with the **TAC-TITE** Speed Mop and the CourtClean Unit.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

MIXING DILUTIONS: Always use clean bucket and wringer with non marking wheels. Immerse CourtClean Towels or Speed Mop Heads mops and wring out. Do not leave standing water on floor!

TAC-TITE SPEED MOP SYSTEM: 8:1 Mix Ratio (1 quart of HALF-TIME to 2 gallons of water)

COURT CLEAN UNIT: 8:1 Mix Ratio (1 quart of HALF-TIME to 2 gallons of water) Rotate towels and mops often. Empty bucket and mix fresh solution when bucket water becomes dirty!!

FAST FACTS

- Formulated with Isopropyl Alcohol for fast drying floors
- No dulling residue left behind
- Use with the CourtClean Unit or the Tac-Tite Speed Mop System
- Evaporates off the floor very quickly
